

PLAN HIGHLIGHTS

Baden Sports, Inc. 401(k) Profit Sharing Plan

ATTENTION:

This section describes highlights of your employer's retirement plan. It represents a general overview of the information printed in your employer's Summary Plan Description (SPD). Your retirement program is more fully described in the formal provisions of your employer's plan document. If there is a conflict between these plan highlights and your SPD, the language provided in the plan document will govern.

Eligibility Requirements

You are eligible to participate in the plan when you are 21 years of age and have 3 months of service.

Enrollment Dates

Once you have met the eligibility requirements, you can join the plan quarterly.

Employee Contributions

You may contribute 1 - 100% of your annual pay, not to exceed \$18,000 annually. Annual limitations are set by the IRS and are subject to change. The tax laws may also let you contribute an additional amount over the regular annual limit if you are at least 50 years old. Check with your benefits manager to see if you can take advantage of the increased opportunity to 'catch up' and contribute even more to your employer's plan. If your adjusted gross income does not exceed certain limits, you may be eligible for a tax credit.

Employer Contributions

Employer Match

Your employer has elected to match 20% of your contributions up to the first 5% of pay.

Vesting

You will always be 100% vested in the portion of your account attributable to your Employee contributions. You are also 100% vested upon your death, normal retirement, or disability. Your employer contributions are subject to the following vesting schedule:

Employer Match Contributions

1 year of service 25% 2 years of service 50% 3 years of service 75% 4 years of service 100%

Rollovers

Money from other qualified plans such as 401(k) plans is accepted.

Investment Transfers

Using Voya's automated telephone or Internet service, you have the ability to review your accounts and transfer funds from one investment option to another, 24-hours a day.

Hardship Withdrawals

Hardship withdrawal may be taken in case of extreme hardship as defined by the IRS when no other sources are available.

Distribution & Withdrawals

Funds are available at retirement, death, disability, or termination of service.

Loan Provision

You may take a loan from vested amounts in your account. The amount the Plan may loan to you is limited by rules under the Internal Revenue Code. Any new loans, when added to the outstanding balance of all other loans from the Plan, will be limited to the lesser of: a) \$50,000 reduced by the excess, if any, of your highest outstanding balance of loans from the Plan during the one-year period ending on the day before the date of the new loan over your current outstanding balance of loans as of the date of the new loan; or b) 1/2 of your vested interest in the Plan. The amount the Plan may loan to you can also be limited by Plan rules such as which Employee and Employer Contributions are available for loan use, the number of loans that can be outstanding at any one time or how often you may request a loan. For specific details please refer to your Summary Plan Description (SPD). When thinking about taking a loan from your plan, keep in mind that when money is withdrawn from a retirement savings account, it reduces the power of tax-deferred compounding.

Participant Account Statements

Your investment statements are provided quarterly.
