*Out-of-network providers generally may balance bill you for charges over the non-contracted allowed amount. Balance billed charges do not accrue toward your deductible or out-of-pocket maximum. The No Surprises Act, however, protects you from balance billing in certain circumstances: emergency care, services performed at in-network facilities by specified out-of-network providers (such as anesthesiologists and radiologists), and air ambulance charges. In these situations, those providers are prohibited from balance billing you for any difference between the plan's payment amount and their billed charges.

Health & Wellness

Find the Right Care for You

Telehealth allows you to connect with your doctor without needing to go into the doctor's office. You can talk to a doctor live through phone, video chat, or live messaging. Telehealth is designed so that you can receive care when you need it, on your own schedule, right at your fingertips.

Need immediate support or have a health question? Through the nurseline, you have 24/7 access to certified nurses for any of your questions or concerns. This service can help you avoid unnecessary urgent care or emergency room visits and make the best decision for you and your family, about any medical related issue.

Sometimes going into a clinic or doctor's office is the best option for certain medical concerns or questions. By participating in an in-office visit, you receive one-on-one face-to-face care with your doctor. Office visits allow you to get the hands-on care you may need.

Urgent Care

Have a concern that needs to be addressed in-person with a real live doctor but it is after your regular doctor's hours or you can't get an appointment? Urgent care is the best option for when you need to be seen right away for a non-life threatening concern.

For information on how to access these resources, visit the Regence Additional Resources page provided in this benefit guide.

Dental Benefits

Baden Sports offers a comprehensive dental plan through Delta Dental of Washington. You may see any licensed provider, but you will pay less out-of-pocket when you see a PPO provider. This is a high-level outline of the dental plan, for a full description refer to the dental Benefit Summary available at www.badenbenefits.com.

Delta Dental

Plan Features	РРО	Premier	Nonparticipating*
Calendar Year Deductible	\$50 Individual / \$150 Family		
Calendar Year Benefit Maximum	\$1,500 per individual		
Class I: Preventive & Diagnostic Services Payments for Class I services do not count toward the calendar year benefit maximum	Covered in full deductible waived	20% after deductible

Class III: Major Services	50% after deductible	60% after deductible	
Class IV: Orthodontia Adults and Children	Lifetime benefit maximum of \$2,000 per individual; 50% after deductible		

*Nonparticipating dentists may bill you the difference between their billed charges and the contracted rate.

Balance Billing: If you visit an out-of-network dentist, you may be responsible for charges that exceed the plan's maximum reimbursement levels, in addition to the deductible and plan cost share.

Pre-Treatment Estimate: If your dental work will be extensive, you should have your dentist submit the proposed treatment plan to the insurance company before you begin treatment. The insurance company will provide you with a summary of the plan's coverage and your estimated out-of-pocket costs.

Flexible Spending Account

We offer a Flexible Spending Account (FSA) through Navia, which allows you to defer pre-tax funds to cover certain types of health care and dependent care expenses. Our FSA runs on a plan year basis from 8/1/2024 - 7/31/2025, so if you enroll in either of the FSAs mid-year, set aside only the funds you will use for the remainder of the current plan year.

Enrollment occurs during your initial enrollment period and during annual open enrollment (you must re-enroll every year). Each year, you can designate an amount, up to the maximums for health care expenses, dependent care expenses, or both.

Healthcare FSA

A healthcare FSA may be used to pay for out-of-pocket health care expenses such as deductibles, office visit copays, prescription drug copays, vision expenses, and dental services. Visit <u>www.irs.gov/forms-pubs/about-publication-502</u> for more details.

The Healthcare FSA maximum contribution is \$3,200

Rollover Provision

You can roll over up to \$640 of unused health care FSA funds to the following plan year. The rollover feature does not apply to unused daycare FSA funds. Rollover amounts will show after your 60-day claim filing period on 9/30/2025.

Dependent Care FSA

Contributing to a dependent care FSA allows you to pay dependent care expenses so that you and your spouse can work, look for work, or attend school full-time. Eligible expenses generally include costs for day care, summer day camps and elder day care.

Dependent care FSA funds may be used toward care for dependent children under age 13 who live with you and for whom you provide more than 50% support, or for any dependent living with you who is physically or mentally incapable of caring for himself or herself.

The Dependent Care FSA maximum contribution is \$5,000

FSA Rules

Specific IRS rules govern the operation of FSAs, including the following:

- » You cannot stop or change the amount you contribute to either account until the next plan year, unless you experience a permitted election change event.
- » You may not transfer money from one account to the other.
- » "Use It or Lose It" You will forfeit any money left in a health care FSA, in excess of the allowable rollover amount, or dependent care FSA at the end of the plan year.

You and your spouse may contribute up to a combined total of \$5,000 each year. If you choose to have dependent care expenses reimbursed by your Dependent Care FSA, those same expenses cannot be claimed for a dependent care tax credit on your federal income tax return. Consult a tax advisor for more information.

- » If you terminate employment, only expenses incurred before you terminated are eligible for reimbursement from your FSA, unless you elect to continue your health care FSA through COBRA, or acceleration.
- » If your spouse has a health savings account (HSA), your enrollment in the FSA may affect your spouse's ability to contribute to an HSA. Please consult a tax advisor for more information.

Life & Disability

Life and Accidental Death & Dismemberment (AD&D) Insurance

We provide life/AD&D insurance through Reliance Standard for eligible employees at no cost to you. Life insurance pays your beneficiary a benefit in the event of your death and AD&D insurance pays a benefit if your death results from an accident or if you are severely injured in an accident.

Cost Overview

Baden Sports funds the majority of the cost of the health plans. If you enroll in a plan, these amounts will be automatically deducted pre-tax from each paycheck (26 per year). Your cost for medical coverage is based on whether you and/or your spouse use tobacco products. A non-tobacco user is defined as an individual who has not used a tobacco product in the last six months. Baden Sports pays 100% of the cost of your basic life and accidental death and dismemberment coverage.

Glossary Of Insurance Terms

The following examples are for illustrative purposes only.

Allowed Amount

Maximum amount on which payment is based for covered health care services. This may be called "eligible allowance" or "negotiated rate." If your out-of- network provider charges more than the allowed amount, you may have to pay the difference.

Balance Billing

When an out-of-network provider bills you for the difference between the provider's charge and the allowed amount. For example, if the provider's charge is \$100 and the allowed amount is \$70, the provider may bill you for the remaining \$30. An in-network provider may not balance bill you for covered services.

Сорау

A fixed amount (for example, \$25) you pay for a covered health care service, usually at the time of care. The amount can vary by the type of covered health care service.

In-Network

The facilities, providers, and suppliers with whom your health plan has contracted.

IMPORTANT INFORMATION

CONVERSION AND PORTABILITY RIGHTS

You must apply within 31 days from the date of termination. To determine if either of these options are available to you, consult your certificate(s) of coverage/benefit booklet(s), or contact Human Resources.

PERMITTED MID-YEAR ELECTION CHANGES

In most cases, once you have made your benefit elections for the plan year, you cannot change them until the next annual open enrollment period, unless you experience a permitted election change event. These include, but are not limited to:

- Change in legal marital status (marriage, divorce, legal separation)
- Gain or loss of eligibility by one of your dependents
- Birth, adoption, or placement for adoption
- Loss of other health coverage by employee, spouse, or dependent(s)
- Gain or loss of eligibility for Medicaid or the Children's Health Insurance Program (CHIP)
- Change in coverage under another employer health plan

If you experience an event that allows you to make changes to your benefit elections, you must notify Human Resources within 30 days (60 days for events related to Medicaid or CHIP). You may need to provide proof of the change, such as a marriage or birth certificate. For more information regarding permitted mid-year election changes, please contact Human Resources.

REQUIRED ANNUAL NOTICES

NOTICE OF CREDITABLE PRESCRIPTION DRUG COVERAGE MEDICARE PART D – YOUR PRESCRIPTION COVERAGE AND MEDICARE

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Baden Sports and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- 1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
- 2. Baden Sports has determined that the prescription drug coverage of-

fered by Baden Sports is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 through December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Baden Sports coverage may be affected.

If you do decide to join a Medicare drug plan and drop your current Baden Sports coverage, be aware that you and your dependents may not be able to get this coverage back.

Please contact the Human Resources Department or your Benefit Advocate for more information about what happens to your coverage if you enroll in a Medicare prescription drug plan.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Baden Sports and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Baden Sports changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
- If you have limited income and resources, extra help paying for Medicare
 prescription drug coverage is available. For information about this extra
 help, visit Social Security on the web at www.socialsecurity.gov, or call

them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

NOTICE OF SPECIAL ENROLLMENT RIGHTS

You may be eligible to participate in Baden Sports's Group Health Plan. A federal law called HIPAA requires that we notify eligible participants about the right to enroll in the plan under its "special enrollment provision."

Loss of Other Coverage (Excluding Medicaid or a State Children's Health

Insurance Program). If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

Loss of Coverage for Medicaid or a State Children's Health Insurance

Program. If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 30 days after the marriage or within 60 days after birth, adoption, or placement for adoption.

Eligibility for Medicaid or a State Children's Health Insurance Program. If

you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance.

All questions about the plan's special enrollment provision should be directed to Human Resources.

PPACA NOTICE OF PATIENT PROTECTIONS

Regence generally requires the designation of a primary care provider. You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. For information on how to select a primary care provider, and for a list of the participating primary care providers, contact Human Resources.

You do not need prior authorization from Regence or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological care from a health care professional in our network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. You can ask to see or get a copy of your health and claims records and other health information we have about you. Ask us how to do this. We will provide a copy or a summary of your health and claims records, usually within 30 days of your request. We may charge a reasonable, cost-based fee.

PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2024. Contact your State for more information on eligibility –
