**Choosing a Dentist**

To ensure services are covered and that you receive the greatest value for your dental benefits, it is important that your dentist participates in the network listed at the top of your Delta Dental ID card. With the Delta Dental PPO™ network, you have the option of visiting any dentist. However, your out-of-pocket costs may be lowest if you see a Delta Dental PPO™ network dentist and highest if you choose an out-of-network dentist. Delta Dental network dentists agree to discount their fees and submit claims on your behalf. Delta Dental PPO™ dentists have agreed to accept Delta Dental’s PPO™ plan allowance, plus any required coinsurance and deductible (if applicable) as payment in full. Delta Dental Premier® dentists have not agreed to accept the Delta Dental PPO™ plan allowance as payment in full. You are responsible for any required coinsurance and deductible (if applicable), as well as the difference between the Delta Dental PPO™ and Delta Dental Premier® plan allowances. Visit [DeltaDentalVA.com](http://DeltaDentalVA.com) to find a participating dentist in your area.

Out-of-network dentists have not agreed to accept Delta Dental’s plan allowance as full payment. After Delta Dental pays its portion of the bill, you are responsible for any required coinsurance and deductible (if applicable), as well as the difference between the non-participating dentist’s charge and Delta Dental’s payment. Payment will be made to you, unless state law requires otherwise.

The chart below illustrates how choosing an in-network dentist may help you save on out-of-pocket costs.
