

THE PROTECTION YOU WANT WHEN YOU NEED IT MOST.

LONG-TERM INCOME PROTECTION BENEFITS

Long-term Disability insurance, which we call Long-term Income Protection Benefits, helps cover your day-to-day living expenses when you're not able to work for an extended time due to an illness or injury.

How Could These Benefits Help Me?

Life can be uncertain. Your paycheck doesn't have to be. These benefits can offer financial support during your recovery from an injury or serious illness.

While health insurance can help cover medical expenses, these benefits help replace a percentage of your paycheck while you're out of work for an extended period of time. You can use this benefit while you focus on recovery from an illness or medical event. Long-term Income Protection Benefits can be used for anything. Examples could include:

Bills

Therapy

Financial services

Legal help

You can help protect your income when you're unable to work. Whether you face a serious illness or injury, Long-term Income Protection Benefits can help you avoid serious financial trouble during a long-term disability.
