By my signature below I certify that I understand the following terms and conditions:

- I have been provided with an enrollment guide, including a Summary of Benefits and Coverage.
- March is the open enrollment period, and is my annual opportunity to make any changes to my employee benefit plan elections.
- In accordance with IRS Section 125 rules, I am unable to make changes to my employee benefit plan elections until April 1, 2022, unless I or my eligible dependents experience an event that permits a mid-year election change.
- Eligible dependents include my legally married spouse, domestic partner and my and/or my spouse/DP's dependent children up to age 26. It is my responsibility to notify Human Resources if any covered dependent ceases to meet the definition of an eligible dependent under the terms of the employee benefit plan. If I cover an individual on the employee benefit plan who is not an eligible dependent, this is considered fraud and theft, and may be grounds for termination of employment.
- Payroll deductions will be taken from my paycheck on a pre-tax basis to pay for my portion of the premiums for the employee benefits that I elect. It is my responsibility to notify Human Resources if I want premiums deducted on an after-tax basis.
- Pre-tax compensation reductions will reduce my taxable income for Social Security purposes, and may result in a reduction of Social Security benefits that I, or my dependents, may become entitled to in the future.
- *DP=Domestic Partner; Under federal tax law, unless my domestic partner (or his/her child[ren]) qualifies as a tax dependent, premiums may
 not be paid on a pre-tax basis. In addition, the value of my domestic partner's coverage, less the amount paid by me for such coverage on an
 after-tax basis, will be included in my gross income, subject to federal withholding and employment taxes.
