Deductions for health coverage are taken on a pre-tax basis, as allowed for under IRC Section 125. This means your payments for these benefits are not considered part of your wages and therefore not subject to federal income tax or FICA (Social Security/Medicare).

In most cases, however, coverage for a domestic partner (and their children) cannot be paid for or provided on a tax-favored basis. Premiums will be deducted on a post-tax basis and may result in imputed income to you. Please contact us if you have questions.

INSURANCE ELIGIBILITY REQUIREMENTS

Variable Hour Employees:

- An employee is a variable hour employee if, based on the facts and circumstances at the date the employee begins providing services to the employer (the start date), it cannot be determined that the employee is reasonably expected to work on average at least 30 hours per week. As a restaurant with varying shift lengths, business cycles, flexible scheduling, and hours being allocated in part based on performance, it is difficult to have this expectation at the time of hire for many restaurant positions.
- Variable hour employees are eligible for insurance benefits if they average at least 30 hours per week over a measurement period. There are two types of measurement period; “Initial” and “Ongoing”.

New Hire 6 Month “Initial” Measurement Period

New hires are measured 6 months from their hire date. At the same time, they are transiting onto the “Ongoing” measurement period outlined below.

Example: Employee’s Hire Date is Nov 1, 2021
Measurement Period: Nov 1, 2021 to April 30, 2022
Admin Period: May 1, 2022 - May 31, 2022
Stability Period: June 1, 2022 - Nov 30, 2022

6 Month “Ongoing” Measurement Period

1st Measurement Period: Aug 1st to Jan 31st
1st Admin Period: Feb 1st to March 31st
1st Stability Period: April 1st to Sept 30th
2nd Measurement Period: Feb 1st to July 31st
2nd Admin Period: Aug 1st to Sept 30th
2nd Stability Period: Oct 1st to March 31st

- In addition to measurement periods, you see the “Admin” period which is used to determine eligibility, administer the coverage information and carrier enrollment. If an employee is measured for 6 months and averages 30 or more hours per week, then they will become eligible for insurance coverage to be effective the first of the month after the end of the admin period. In the example above the insurance benefits, if elected, would be effective on June 1. Note that the admin periods are 30 days for new-hires and 60 days for ongoing.
- The “stability” period is how long an employee will remain eligible for insurance benefits before being measured again to determine if they remain eligible in an ongoing basis.

Full-Time Hourly Employees (Hired for a Full-Time position):

- A full-time employee is an employee who is hired for a position with the firm expectation that at least 30 hours per week will be worked. As a restaurant with varying shift lengths, business cycles, flexible scheduling, and hours being allocated in part based on performance, it is difficult to have this expectation at the time of hire for many restaurant positions.
- If the employee hired as full-time does work 30 or more hours per week and is expected to continue to do so, then the employee will be eligible for insurance benefits beginning the 1st of the month following 60 days.
- If 30 or more hours per week has not been met or is not expected to continue, the employee will follow the eligibility requirements of Variable Hour Employees.

INSURANCE ELIGIBILITY REQUIREMENTS

Salaried Employees & Managers

- Eligible for insurance enrollment upon date of hire or promotion.
- Enrollment is effective on the 1st of the month following date of hire or promotion.

Enrollment Process for all Eligible Employees

- Restaurants are notified each month of any employees who based on meeting the eligibility requirements are newly eligible for insurance enrollment effective the 1st of the following month. The restaurant will provide the newly eligible employee with a description of benefits packet, enrollment form and waiver of coverage forms.
- Enrollment is effective on the 1st of the month following the admin period if the employee elects coverage by completing and turning in the Insurance Enrollment Form within the specified time.
- All newly eligible employees must either enroll or sign a waiver of coverage.
- Any eligible employee who waives coverage will not be eligible again until open enrollment the following March, for coverage effective April 1st, unless he/she experiences a qualifying event (i.e. loss of other coverage through no fault of his/her own, marriage, birth or adoption of a child).

Contribution Toward Insurance Premiums

- Each employee enrolled in coverage will pay 50% of the monthly premium for the Tutta Bella Virtual Plus medical insurance coverage. If electing the Access PPO medical coverage the employee will pay the difference in premium between the two plans in addition to the 50%. Dental and Vision coverage is 100% employee paid. Spouse and dependent coverage are paid 100% by the employee after the deduction of the employee only portion. The employee's portion of the monthly premium is automatically deducted pre-tax from their paycheck over the first two pay periods of each month.

Upon Separation From Employment

- All insurance benefits terminate at the end of the month that the employee separates from employment, or the last day of the month for which premiums have been paid.

GLOSSARY OF MEDICAL TERMS

ALLOWED AMOUNT

Maximum amount on which payment is based for covered health care services. This may be called “eligible allowance” or “negotiated rate.” If your out-of-network provider charges more than the allowed amount, you may have to pay the difference.

IN-NETWORK

The facilities, providers, and suppliers that your health insurer or plan has contracted with to provide health care services.

BALANCE BILLING

When an out-of-network provider bills you for the difference between the provider’s charge and the allowed amount. For example, if the provider’s charge is \$100 and the allowed amount is \$70, the provider may bill you for the remaining \$30. An in-network provider may not balance bill you for covered services.

COPAYMENT

A fixed amount (for example, \$15) you pay for a covered health care service, usually when you receive the service. The amount can vary by the type of covered health care service.

DEDUCTIBLE

The amount you owe for health care services, before insurance begins to pay. For example, if your deductible is \$500, your plan won’t pay anything until you’ve met your \$500 deductible for covered services subject to the deductible. The deductible does not apply to all services.

COINSURANCE

Your share of the costs of a covered health care service, calculated as a percent (for example, 20%) of the allowed amount for the service. You pay co-insurance plus any deductibles you owe. For example, if the health insurance or plan’s allowed amount for an office visit is \$100 and you’ve met your deductible, your co-insurance payment of 20% would be \$20. The health insurance or plan pays the rest of the allowed amount.

OUT-OF-POCKET MAXIMUM

The most you pay during a calendar year before your health insurance or plan begins to pay 100% of allowed amount for in-network covered services. The limit includes office visit copay, prescription drug copays, deductibles and coinsurance.

IMPORTANT INFORMATION AND ANNUAL REQUIRED NOTICES

Conversion Rights

You may have the option to keep your life/AD&D coverage through the conversion provision of the contract. You must apply within 31 days from the date of termination. To determine if either of these options are available to you, consult your certificate(s) of coverage/benefit booklet(s), or contact Human Resources.

Permitted Mid-Year Election Change Events

In most cases, once you have made your benefit elections for the plan year, you cannot change them until the next annual open enrollment period, unless you experience a permitted election change event. These include:

- Change in legal marital status (marriage, divorce, legal separation)
- Gain or loss of eligibility by one of your dependents
- Birth, adoption, or placement for adoption
- Loss of other health coverage by employee, spouse, or dependent(s)
- Gain or loss of eligibility for Medicare or Children's Health Insurance Program (CHIP)
- Change in coverage under another employer health plan

If you experience an event that allows you to make changes to your benefit elections, notify Human Resources within 30 days of the event (60 days in the case of birth or adoption). You may need to provide proof of the change, such as a marriage or birth certificate. For more information regarding permitted mid-year election changes, please contact Human Resources.

Notice of Special Enrollment Rights

You may be eligible to participate in Tutta Bella Neapolitan Pizzeria's Group Health Plan. A federal law called HIPAA requires that we notify eligible participants about the right to enroll in the plan under its "special enrollment provision."

Loss of Other Coverage (Excluding Medicaid or a State Children's Health Insurance Program). If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage).

However, you must request enrollment within 30 days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

Loss of Coverage for Medicaid or a State Children's Health Insurance Program. If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents' coverage ends under Medicaid or a state children's health insurance program.

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption. If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 30 days after the marriage or within 60 days after birth, adoption, or placement for adoption.

Eligibility for Medicaid or a State Children's Health Insurance Program. If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents' determination of eligibility for such assistance.

All questions about the plan's special enrollment provision should be directed to Human Resources.

Notice of the Women's Health and Cancer Rights Act

This notice is being sent to you as required by the Women's Health and Cancer Rights Act of 1998, which states you must be advised annually of the presence of benefits for mastectomy-related services, including reconstruction and surgery to achieve symmetry of the breasts, prostheses and complications resulting from a mastectomy. Please refer to your medical benefit booklet for additional information. Benefits for these services may be subject to annual deductibles and coinsurance consistent with those established for other benefits.

IMPORTANT INFORMATION AND ANNUAL REQUIRED NOTICES

Notice of Creditable Prescription Drug Coverage Medicare Part D – Prescription Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Tutta Bella Neapolitan Pizzeria and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Tutta Bella Neapolitan Pizzeria has determined that the prescription drug coverage offered by Tutta Bella Neapolitan Pizzeria health and welfare plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 through December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Tutta Bella Neapolitan Pizzeria coverage may be affected.

If you do decide to join a Medicare drug plan and drop your current Tutta Bella Neapolitan Pizzeria coverage, be aware that you and your dependents may not be able to get this coverage back.

Please contact the Human Resources Department or your Benefit Advocate for more information about what happens to your coverage if you enroll in a Medicare prescription drug plan.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Tutta Bella Neapolitan Pizzeria and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage: Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Tutta Bella Neapolitan Pizzeria changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage: More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insure-kidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren’t already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of October 15, 2021. Contact your State for more information on eligibility –
