

Shop around for care and save

Did you know that the cost of medical services can vary, depending on where you go for care?

Shopping around can mean a lot less money out of your own pocket.

Health Cost Estimator+ is an easy-to-use online tool that lets you compare the cost of doctors, hospitals and other providers in your area before you get care, so you can make informed decisions based on cost and quality.

Enter a procedure, test or keyword and a Zip Code to begin your search:

- View estimates by hospitals/facilities and doctors
- Read hospital safety scores and consumer ratings
- See your estimated out-of-pocket costs

Compare costs for a wide range of medical services, such as:

- Inpatient and outpatient surgeries
- X-rays
- Ultrasounds
- MRI and CT scans
- Office visits
