Walmart Health is comprised of independent physician practices. Walmart Health Virtual Care (WHVC) offers medical services via telehealth to patients nationwide. Telehealth services may vary by state. Telehealth services are provided in accordance with state law by licensed health care professionals, subject to the licensed professionals’ judgment. When medically necessary, WHVC providers may prescribe medication that can be picked up at a local pharmacy of the patient’s choice; WHVC does not guarantee that a prescription will be written. WHVC providers do not prescribe controlled substances. WHVC is not a pharmacy or an insurance product. Virtual Urgent Care visits are not a replacement for a primary care physician.
