

# Lakeside Industries Health & Welfare Plan

## Important Information and Required Notices 2026

### NOTICE OF HIPAA SPECIAL ENROLLMENT RIGHTS

A federal law called HIPAA requires that we notify you of your right to enroll in the plan under its “special enrollment provision” if you acquire a new dependent, or if you decline coverage under this plan for yourself or an eligible dependent while other coverage is in effect and later lose that other coverage for certain qualifying reasons. You have the right to request special enrollment (outside of the plan’s annual enrollment period) for yourself and your eligible dependents under the following circumstances.

Loss of Other Coverage (Excluding Medicaid or a State Children’s Health Insurance Program). If you decline enrollment for yourself or for an eligible dependent (including your spouse) while other health insurance or group health plan coverage is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents’ other coverage). However, you must request enrollment within 31 days after your or your dependents’ other coverage ends (or after the employer stops contributing toward the other coverage).

Loss of Coverage for Medicaid or a State Children’s Health Insurance Program. If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children’s health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, you must request enrollment within 60 days after your or your dependents’ coverage ends under Medicaid or a state children’s health insurance program.

New Dependent by Marriage, Birth, Adoption, or Placement for Adoption. If you have a new dependent because of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new dependents. However, you must request enrollment within 31 days after the marriage or within 60 days after birth, adoption, or placement for adoption.

Eligibility for Medicaid or a State Children’s Health Insurance Program. If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children’s health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, you must request enrollment within 60 days after your or your dependents’ determination of eligibility for such assistance.

Contact Human Resources to request a special enrollment or to obtain more information about the plan's special enrollment provision.

### MID-YEAR BENEFIT ELECTION CHANGES

Apart from the special enrollment rights mentioned above, benefit elections for the plan year usually cannot be changed until the next annual open enrollment period, unless a life status event occurs. Events that MAY allow mid-year changes to benefit elections include:

- A change in your legal marital status (marriage, divorce, annulment)
- A change in the eligibility status of your dependent
- The birth, adoption, or placement of a child for adoption
- Loss of other health coverage by you, your spouse, or dependent(s)
- Gain or loss of eligibility for the Children’s Health Insurance Program (CHIP)
- Enrollment in or loss of eligibility for Medicare and Medicaid
- A change in employment affecting eligibility for you or a dependent
- Enrollment in Marketplace Exchange coverage
- Enrollment required by a judgement, decree, or court order

Election changes must be due to and consistent with the life status event and are subject to final approval by Human Resources. To be considered, you must notify us within 31 days (60 days for events related to Medicaid or CHIP) of the occurrence of the event. Proof of the event, such as a marriage or birth certificate, may be required.

**IMPORTANT:** If you or your dependents have Medicare or will become eligible for Medicare in the next 12 months, read the Notice of Creditable Coverage later in this document!

## **CONTINUATION OF HEALTH PLAN COVERAGE UNDER COBRA**

Most group health plans maintained by employers with 20 more employees, or by state or local governments, are subject to the Consolidated Omnibus Budget Reconciliation Act (COBRA), which allows employees and their families who lose their health benefits due to certain “qualifying events” the right to continue their group health coverage for a limited time, typically at their own expense. Qualifying events include job loss (except for gross misconduct), reduction in work hours, death of the covered employee, divorce, and a dependent child losing eligibility. The coverage duration varies based on the qualifying event, generally lasting 18 to 36 months. The plan will typically notify participants when qualifying events occur. However, participants are required to inform the plan within 60 days if they wish to elect coverage due to divorce, legal separation (if it results in a loss of eligibility), or a dependent child’s loss of eligibility, such as reaching the age limit.

Employers whose plans are not subject to COBRA because they qualify for the small employer exception may need to offer continuation rights under a state mini-COBRA law. Contact Human Resources for questions about the availability of coverage continuation rights under either federal or state law.

## **CONVERSION OR PORTABILITY OF COVERAGE**

You may have the option to convert, port, or continue your coverage, depending on the plan(s) you are enrolled in, if your employment ends, you are approved for a leave of absence, or you are no longer in a benefit eligible class. To find out if you have options for keeping your coverage, please refer to the plan’s benefit booklet or certificate of coverage, or contact Human Resources.

## **TAXABLE FRINGE BENEFIT REMINDER FOR DOMESTIC PARTNERS**

Although employers can generally exclude certain fringe benefits from an employee’s taxable income, per IRS rules this exclusion applies only to benefits for employees, their legal spouses, tax dependents, and children under 27 at the end of the tax year. If and when benefits such as health, dental, and vision are provided to individuals who are not tax dependents (including domestic partners), the value of such benefits will be reported as taxable income to the employee or other recipient in accordance with federal and state Law, as applicable. It is our administrative practice to assume these individuals are not tax dependents unless the employee informs us otherwise, in writing, and provides us with any requested evidence or attestation as our administrative guidelines require at the time. Finally, be advised that individuals who are not Code §105(b) tax dependents are not eligible for reimbursement using funds from an HSA trust (bank account), even if eligible for reimbursement by the underlying high deductible health plan. Please refer to plan materials for details on eligible individuals for each respective benefit program.

## **NOTICE OF WOMEN’S HEALTH AND CANCER RIGHTS ACT**

We are furnishing this notice as required by the Women’s Health and Cancer Rights Act of 1998, which states you must be advised annually of the presence of benefits for mastectomy-related services, including reconstruction and surgery to achieve symmetry of the breasts, prostheses and complications resulting from a mastectomy. Please refer to your medical benefit booklet for additional information. Benefits for these services may be subject to annual deductibles and coinsurance consistent with those established for other benefits.

## **NOTICE OF NEWBORNS’ AND MOTHERS’ HEALTH PROTECTION ACT**

Group health plans generally may not restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). Note that more generous lengths of stay may apply under certain state laws, when applicable. In such cases, please refer to plan documents for a description of these richer guidelines.

## **STATES REQUIRING RESIDENTS TO HAVE HEALTH COVERAGE**

California, Massachusetts, New Jersey, Rhode Island, Vermont, and the District of Columbia currently impose tax penalties on residents who fail to maintain a specified level of medical and prescription drug coverage. As needed, please contact your state government to learn more about what rules may apply to you and your family.

## **NOTICE OF PRIVACY PRACTICES**

**Effective Date: 2/16/2026**

This notice describes how medical information about you under Lakeside Industries’ self-insured plans may be used and disclosed and how you can get access to this information. **Please review it carefully. If you have any questions about this notice, please contact Rhianna Argudo at (425) 313-2625, 6505 226th Place SE, Suite 200, Issaquah, WA 98027.**

**When it comes to your health information, you have certain rights.** This section explains your rights and some of our responsibilities to help you.

#### **Get a copy of health and claims records**

You can ask to see or get a copy of your health and claims records and other health information we have about you. Ask us how to do this. We will provide a copy or a summary of your health and claims records, usually within 30 days of your request. We may charge a reasonable, cost-based fee.

#### **Ask us to correct health and claims records**

You can ask us to correct your health and claims records if you think they are incorrect or incomplete. Ask us how to do this. We may say “no” to your request, but we’ll tell you why in writing within 60 days.

#### **Request confidential communications**

You can ask us to contact you in a specific way (for example, home, office, or mobile phone) or to send mail to a different address. We will consider all reasonable requests, and must say “yes” if you tell us you would be in danger if we do not.

#### **Ask us to limit what we use or share**

You can ask us not to use or share certain health information for treatment, payment, or our operations. We are not required to agree to your request, and we may say “no,” for example, if it could affect your care. If we agree to your request, we may still share this information in the event that you need emergency treatment.

#### **Get a list of those with whom we’ve shared information**

You can ask for a list (accounting) of the times we’ve shared your health information for six years prior to the date you ask, who we shared it with, and why. We will include all the disclosures except for those about treatment, payment, and health care operations, and certain other disclosures (such as any you asked us to make). We’ll provide one accounting a year for free but will charge a reasonable, cost-based fee if you ask for another one within 12 months.

#### **Get a copy of this privacy notice**

You can ask for a paper copy of this notice at any time, even if you have agreed to receive the notice electronically. We will provide you with a paper copy promptly.

#### **Choose someone to act for you**

If someone has authority to act as your personal representative, such as if someone has your medical power of attorney or if someone is your legal guardian, that person can exercise your rights and make choices about your health information. We will make sure the person has this authority and can act for you before we take any action.

#### **File a complaint if you feel your rights are violated**

You can complain if you feel we have violated your rights by contacting us using the information on the first page of this notice. You can file a complaint with the U.S. Department of Health and Human Services Office for Civil Rights by sending a letter to 200 Independence Avenue, S.W., Washington, D.C. 20201, calling 1-877-696-6775, or visiting <https://www.hhs.gov/hipaa/filing-a-complaint/index.html>. We will not retaliate against you for filing a complaint.

#### **Your Choices**

**For certain health information, you can tell us your choices about what we share.** If you have a clear preference for how we share your information in the situations described below, talk to us. Tell us what you want us to do, and we will follow your instructions.

In these cases, you have both the right and choice to tell us to:

- Share information with your family, close friends, or others involved in payment for your care
- Share information in a disaster relief situation
- If you are not able to tell us your preference, for example if you are unconscious, we may go ahead and share your information if we believe it is in your best interest. We may also share your information when needed to lessen a serious and imminent threat to health or safety.

In these cases we *never* share your information unless you give us written permission:

- Marketing purposes
- Sale of your information

### **Our Uses and Disclosures**

**How do we typically use or share your health information?** We typically use or share your health information in the following ways.

#### **Help manage the health care treatment you receive**

We can use your health information and share it with professionals who are treating you. For example, if a *doctor sends us information about your diagnosis and treatment plan, we can arrange additional services.*

#### **Run our organization**

We can use and disclose your information to run our organization and contact you when necessary. We are not allowed to use genetic information to decide whether we will give you coverage and the price of that coverage. This does not apply to long term care plans. For example, we can use health information about you to develop better services for you.

#### **Pay for your health services**

We can use and disclose your health information as we pay for your health services. For example, we can share information about you with your dental plan to coordinate payment for your dental work.

#### **Administer your plan**

We may disclose your health information to your health plan sponsor for plan administration. For example, your company contracts with us to provide a health plan, and we provide your company with certain statistics to explain the premiums we charge.

#### **How else can we use or share your health information?**

We are allowed or required to share your information in other ways – usually in ways that contribute to the public good, such as public health and research. We have to meet many conditions in the law before we can share your information for these purposes. And in all cases, if we have substance use disorder patient records about you, subject to 42 CFR part 2, we cannot use or share information in those records in civil, criminal, administrative, or legislative investigations or proceedings against you without (1) your consent or (2) a court order and a subpoena.

#### **Help with public health and safety issues**

We can share health information about you for certain situations such as:

- Preventing disease
- Helping with product recalls
- Reporting adverse reactions to medications
- Reporting suspected abuse, neglect, or domestic violence
- Preventing or reducing a serious threat to anyone’s health or safety

#### **Do research**

We can use or share your information for health research.

#### **Comply with the law**

We will share information about you if state or federal laws require it, including with the Department of Health and Human Services if it wants to see that we’re complying with federal privacy law.

#### **Respond to organ and tissue donation requests and work with a medical examiner or funeral director**

We can share health information about you with organ procurement organizations. We can share health information with a coroner, medical examiner, or funeral director when an individual dies.

#### **Address workers’ compensation, law enforcement, and other government requests**

We can use or share health information about you:

- For workers’ compensation claims
- For law enforcement purposes or with a law enforcement official
- With health oversight agencies for activities authorized by law

- For special government functions such as military, national security, and presidential protective services

### **Respond to lawsuits and legal actions**

We can share health information about you in response to a court or administrative order, or in response to a subpoena.

### **Our Responsibilities**

We are required by law to maintain the privacy and security of your protected health information. We will let you know promptly if a breach occurs that may have compromised the privacy or security of your information. We must follow the duties and privacy practices described in this notice and give you a copy of it. We will not use or share your information other than as described in this notice unless you tell us we can in writing. If you tell us we can, you may change your mind at any time. Let us know in writing if you change your mind.

For more information see: [www.hhs.gov/ocr/privacy/hipaa/understanding/consumers/noticepp.html](http://www.hhs.gov/ocr/privacy/hipaa/understanding/consumers/noticepp.html).

### **Changes to the Terms of this Notice**

We can change the terms of this notice, and the changes will apply to all information we have about you. The new notice will be available upon request, on our web site (when applicable), and we will mail a copy to you.

## **NOTICE REGARDING PATIENT PROTECTIONS AGAINST SURPRISE BILLING**

Federal law requires group health plans and health insurance issuers offering group or individual health insurance coverage to make publicly available, post on a public website of the plan or issuer, and include on each explanation of benefits for an item or service with respect to which the requirements under section 9816 of the Internal Revenue Code (the Code), section 716 of the Employee Retirement Income Security Act (ERISA), and section 2799A-1 of the Public Health Service Act (PHS Act) apply, information in plain language on: (1) the restrictions on balance billing in certain circumstances, (2) any applicable state law protections against balance billing, (3) the requirements under Code section 9816, ERISA section 716, and PHS Act section 2799A-1, and (4) information on contacting appropriate state and federal agencies in the case that an individual believes that a provider or facility has violated the restrictions against balance billing.

## **NOTICE REGARDING WELLNESS PROGRAM – HIPAA**

Your health plan is committed to helping you achieve your best health and includes a reward for participating in the wellness program. If you think you might be unable to meet a standard for a reward under this wellness program, you might qualify for an opportunity to earn the same reward by different means. Contact Human Resources and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you in light of your health status.

## **NOTICE OF CREDITABLE PRESCRIPTION DRUG COVERAGE**

### **MEDICARE PART D – YOUR PRESCRIPTION COVERAGE AND MEDICARE**

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Lakeside Industries and about your options under Medicare's prescription drug coverage. This information can help you decide whether you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Lakeside Industries has determined that the prescription drug coverage offered by Lakeside Industries is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore

considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

**When Can You Join A Medicare Drug Plan?**

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15 through December 7.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

**What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?**

If you decide to join a Medicare drug plan, your current Lakeside Industries coverage may be affected.

If you do decide to join a Medicare drug plan and drop your current Lakeside Industries coverage, be aware that you and your dependents may not be able to get this coverage back.

Please contact the Human Resources Department or your Benefit Advocate for more information about what happens to your coverage if you enroll in a Medicare prescription drug plan.

**When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?**

You should also know that if you drop or lose your current coverage with Lakeside Industries and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) if you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

**For More Information About This Notice Or Your Current Prescription Drug Coverage...**

Contact the person listed below for further information. NOTE: You'll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through Lakeside Industries changes. You also may request a copy of this notice at any time.

**For More Information About Your Options Under Medicare Prescription Drug Coverage...**

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

**For more information about Medicare prescription drug coverage:**

- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help.
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.
- If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

**Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).**

Date: 1/1/2026  
Name of Entity/Sender: Lakeside Industries  
Contact--Position/Office: Rhianna Argudo, Benefits & Compensation Specialist  
Address: 6505 226th Place SE, Suite 200, Issaquah, WA 98027

**PREMIUM ASSISTANCE UNDER MEDICAID AND THE CHILDREN'S HEALTH INSURANCE PROGRAM (CHIP)**

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your

children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit [www.healthcare.gov](http://www.healthcare.gov).

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or [www.insurekidsnow.gov](http://www.insurekidsnow.gov) to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, **and you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at [www.askebsa.dol.gov](http://www.askebsa.dol.gov) or call **1-866-444-3272**.

**If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2025. Contact your State for more information on eligibility –**
