| Important Questions | Answers | Why This Matters: |
|---|---|---|
| **What is the overall deductible?** | **$1,000** person / **$3,000** family for Preferred Network. There is no deductible limit for Participating & Out-of-Network. | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible. |
| **Are there services covered before you meet your deductible?** | **Yes.** ABA therapy, breast pumps, chemical dependency outpatient professional, Cologuard medical & preventive, flu shots, gene therapy travel, hearing aids & exams, immunizations, massage therapy, mental nervous outpatient professional, transplant expenses (travel, meals, lodging) and urgent care facility for all Networks. Mammograms medical, preventive care & services for Preferred & Participating Networks. Allergy injections, genetic testing, outpatient office visits & services and laboratory for Preferred Network. | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/. |
| **Are there other deductibles for specific services?** | **No.** There are no other specific deductibles. | You don't have to meet deductibles for specific services. |
| **What is the out-of-pocket limit for this plan?** | **$3,600** person / **$10,800** family for Preferred Network. There is no Out-of-pocket limit for Participating & Out-of-Network. Includes pharmacy. | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. |
| **What is not included in the out-of-pocket limit?** | Penalties, ineligible charges, premiums, balance-billed charges and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit. |
| **Will you pay less if you use a network provider?** | Yes. See www.accessrga.com or call 1-866-738-3924 for a list of network providers. | You pay the least if you use a provider in the Preferred Network. You pay more if you use a provider in the Participating Network. You will pay the most if you use an out-of-network provider and you might receive a |

| | | |
|---|---|---|
| | | bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| **Do you need a referral to see a specialist?** | No. | You can see the specialist you choose without a referral. |

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
