We Make Evidence of Insurability Easy

We Make the Evidence of Insurability (EOI) process easy for you and your employees

Employer Access, our secure plan administration tool available for list bill users, offers an opportunity for you to provide your employees with a pre-populated online EOI eApp that includes group ID, hire date, current salary and current coverage amounts – information to which they might not have direct access.

It's simple, fast and convenient for you and your employees.
