

Introducing SmartConnect™

SmartConnect is an exclusive program created specifically for working or retiring adults (and family members) who are Medicare-eligible and may not have fully explored the benefits of Medicare coverage.

Staying on your employer's coverage may be easy, but it's not always the best option. In fact, Medicare plans could provide more coverage at a lower cost than your employer's plan.

SmartConnect puts your specific needs first and matches you with the education and the experienced advisor you need to make the best decision for you. SmartConnect gives you access to plans from national insurance carriers.

Whether you're planning to continue working or looking to retire, we are expert listeners who can guide you to a tailored solution. We know this is a big decision. Our mission is to inspire confidence and help you find your balance in Medicare.
